- First, each user will need a Kentucky Online Gateway (KOG) account. To learn more about setting up an account, you will need to read the KICCS Portal User Guide. We have information about where to find that document on the next few screens of our presentation.
- Once you have established a "KOG" account and submitted the Provider Portal Agreement as instructed in the "User Guide", your Provider Portal account will be approved.
- Then, the next time you have an inspection or survey, your Statement of Deficiencies will be available on your "provider portal" and you can complete the Plan of Correction online. Or if you participate in ALL STARS, the AQR is easily completed on the portal.

We believe you will find the information in this presentation helpful. Just follow the steps....
