

Child Care Director Tip Sheet

The Director will:

- Ensure compliance with regulations.
- Review regulatory updates with staff
- Make a copy of the regulations available to staff and parents
- Maintain all records for five (5) years.

-
- Provide a copy of the regulations to each staff
 - Develop child-care center plans, policies, and procedures.
 - Instruct staff of the operations of the center (staff handbook)
 - Manage staff in their individual job descriptions
 - Supervise staff's conduct to ensure implementation of program policies and procedures
 - Maintain a childcare program that assures each child will be protected from abuse or neglect
 - Assure that staff do not use corporal physical discipline or loud, profane, threatening, frightening, humiliating or abusive language.
 - Inform staff of laws of the Commonwealth of Kentucky regarding mandated reporting of suspected child abuse or neglect.
 - Inform staff of program's emergency procedures
 - Assign one staff person to carry out the director's duties if the director is not present in the childcare center during operating hours.
 - Assure that a person acting as a caregiver of a child shall not be left alone with a child if the licensee has not received the results of all background checks.
 - Assure that Staff under the age of 18 are under the direct supervision of a qualified staff.
 - Ensure that children related to the director or staff are included in the staff to child ratio
 - Maintain a childcare program that assures each child will be provided with adequate supervision at all times by a qualified staff person within scope of vision or range of voice for school aged children
 - Assure that additional staff are available during cooking and cleaning hours, if necessary, to maintain staff to child ratios.
 - Assure that each staff member receives a minimum of fifteen training hours per year from hire date to hire date their first year of employment and from July 1- June 30 thereafter.
 - Assure that at least one person on duty and present with the children shall be currently certified by a cabinet approved training agency in Infant and Child CPR and Infant and Child First Aid and certified in Adult CPR and First Aid if school age children are present.
 - Assure that all staff have training in First Aid/CPR.

- Assure that each new staff member receives 6 hours of Orientation training within 90 days of employment (Orientation training taken after 7-1-2021 includes training in First Aid/CPR)
- Assure that each new staff member receives Pediatric Abusive Head Trauma (PAHT) training within the first year of employment and completed once every five years after that
- Assure that all staff training records are on file and updated with TRIS at <https://tris.eku.edu/ece>
- Assure that staff do not repeat the same trainings within a 5-year period
- Conduct, manage, and document recurring staff meetings in writing
- Have one qualified substitute staff person for a Type II childcare center
- Have two qualified substitute staff persons for a Type I childcare center
- Maintain children and family confidentiality
- Keep a written record of reports made to the Cabinet
- Make a working telephone accessible to a room used by a child and list or maintain in phone emergency numbers for police, fire station, emergency medical care and rescue squad and poison control center
- Ensure that a First Aid box with all current and required components are available to staff
- Notify the parent immediately of an accident or incident requiring medical treatment of a child
- Seek emergency medical care for a child if an auto-injector is administered to the child and report to the cabinet
- Prepare a weekly menu that is dated, posted in a conspicuous place and amended in writing with substitutions on the day of meal service
- Ensure that all meals served to children meet regulatory compliance
- Assure that current dated lesson plans are posted in each classroom that include moderate to vigorous activity each day
- Assure that experiences promote the individual child's physical, emotional, social and intellectual growth and wellbeing.
- Assure that activities are individualized and developmentally appropriate for each child served.
- Assure that a child shall not be required to stand or sit for a prolonged period of time.

Required Postings:

- Post the preliminary or regular license in a conspicuous place and make available for public inspection:
- Post each statement of deficiency and civil penalty notice issued by the cabinet during the current licensure year.
- Post each plan of correction submitted by the child-care center to the cabinet during the current licensure year.
- Post Information on the Kentucky Consumer Product Safety Program and the program's Web site
- Post Child and Parent's Rights
- Post a description of services provided by the child-care center, including: 1. Current rates for childcare; and 2. Each service charged separately and in addition to the basic rate for childcare
- Post a list of emergency numbers to include: the Police department; Fire Department, Emergency medical care and rescue squad, and Poison control center.

- Post minimum staff-to-child ratios and group size
- Post a written plan and diagram outlining the course of action in the event of a natural or manmade disaster
- Post a daily schedule including times of activities in each classroom.
- Post current dated lesson plans in each classroom that include moderate to vigorous activity each day
- Post a dated weekly menu, amended in writing if necessary, on the day the meal service and kept for 30 days.
- Post handwashing posters near sinks
- Post diaper changing instructions near diaper areas

- Collect proof of education
- Collect current TB test

Schedule of Activities

Daily

- Record Daily Attendance
- Check Environment for Potential Safety Issues

Weekly

- Update Menus
- Update Lesson Plans
- Update Written Staff Schedule

Monthly

- Conduct Fire Drill
- Update ECE TRIS
- Submit Food Program Claim (if applicable)
- Submit CCAP Billing (if applicable)

Quarterly

- Conduct Earthquake Drills
- Conduct Tornado Drills
- Conduct Lockdown Drills
- Conduct Staff Meetings

Annually

- Renew License
 - Complete Staff Evaluations
 - Complete Staff Professional Development Plans
 - Complete CCAP Training
 - Document Parent Involvement Activity
 - Update Emergency Preparation Plans with Local Emergency Managers
 - Renew Food Service Permit
 - Complete Driver History (if applicable)
-

Children's Files

- Completed application on file on the first day the child attends the childcare center.
- Maintain children's files that include the following:
- A current immunization certificate must be on file within thirty (30) days of enrollment for each child unless an attending physician or the child's parent objects to the immunization of the child. If a child does not have an immunization certificate, a special form completed by the health department or physician must be on file.
 - A written record for each child: completed and signed by the child's parent.
- Child written records to contain:

The child's name, date of birth, home address,

- Parent/s contact information at home and at place of employment,
- Name of each person who is designated to pick-up the child,
- Family physician and phone number,
- Preferred hospital and phone number,
- Child's general health status and medical history,
- Child's allergies,
- Immunization certificate,
- Authorization by the parent for the child-care center to seek emergency medical care for the child in the parent's absence,
- Restrictions on child's participation in activities with specific instructions from the child's parent or health professional,
- Permission for third party professional services in the child-care center form (if applicable),
- Name and phone number of each person to be contacted in an emergency involving or impacting the child,
- Animal permission form, listing all animals (if applicable)
- Signed permission form for each regular trip outside the licensed space meaning the building or outdoor playground (on a regular occurrence, like adjacent park, walk to the library, etc.)
- Field trip permission form signed by parent (a one-time occurrence, like pumpkin patch, etc.)
- Transition to new classroom form (if applicable)
- Written blanket permission form from parents to use sunblock or diaper cream (if applicable),
- Daily signed authorization from parent to administer medication (if applicable), and
- Parent/center agreement outlining rates and payment schedule (not in regulations).

Staff Requirements

- Application with Date of Hire
- Proof of Education
- Background Check(s) (Including Out of State, if applicable)
- Current TB Test
- Annual Professional Development Plan
- ECE TRIS Training Record
- Annual Evaluation
- CPR/First Aid
- At least one staff must have training on epinephrine auto-injector if the center has an epinephrine auto-injector

Policies and Procedures

■ Orientation Policy

Written policy that specifies that the procedures that were taught at the orientation training shall be implemented by each child-care center staff member.

The policy may read: Staff must complete 6-hour Orientation training within 90 days of hire and implement procedures that were taught at Orientation training.

■ Reporting Abuse or Neglect Policy

Written policy on reporting suspected abuse or neglect informing childcare staff of the laws of the Commonwealth pertaining to child abuse or neglect. There must be clear evidence that a procedure is in place and is being implemented. The policy may include ongoing training on the identification of abuse/neglect, phone numbers and names of reporting agencies posted by each phone, written materials regarding the requirements or reporting provided to staff.

Policy may read: Staff should report suspected abuse or neglect to DCBS at 1-877-597-2331 or State Police. In case of an emergency, dial 911 first. Non-emergency reports may be made online at: <https://prd.chfs.ky.gov/ReportAbuse/home.aspx> After notification to DCBS, child care staff should notify their local Division of Regulated Child Care office to report the Incident of suspected abuse or neglect. Notification can be made by phone, fax, email or be a hand delivered written statement.

■ Medication Policy may read:

- Medications shall be stored in a separate and locked place out of reach of a child unless the medication is diaper cream, sunscreen or toothpaste or an epinephrine auto-injector which must be inaccessible to a child.
- At least one (1) person onsite who has received training on the administration of an epinephrine auto-injector if the child-care center maintains an epinephrine auto-injector
- A child-care center shall seek emergency medical care for a child if an auto-injector is administered to the child; and

- A child-care center shall report to the child's parent and the cabinet if an epinephrine auto-injector is administered to a child or if emergency or if rescue medication is used to respond to diabetic or asthmatic condition
- Medication must be kept in the original bottle and properly labeled
- Prescription and nonprescription medication shall only be administered to a child in care with written request of the child's parent or the child's prescribing health professional and according to the directions or instructions on the medication's label
- A daily written record of the administration of medication shall include: Name of child, name of medication, date, time of each dosage, amount, name of staff person giving the medication, refrigerated or not, expiration date of medication
- Staff shall wash hands before administering medication
- Staff must keep their personal medication inaccessible to children
