

Passionate about
shaping young minds
& building a strong
educational foundation?

Consider an Early Childhood Education Registered Apprenticeship, a program of the Kentucky Governor's Office of Early Childhood now offering wage and milestone incentives to participants and employers.

Early Childhood Education Registered Apprenticeship offers:

- On-the-Job Training – Typically, 2-4,000 hours over a two-year period.
- Classroom Instruction – Supplements skills and knowledge learned on the job.
- Higher Wages – Earn more as you gain experience and reach milestones.
- Mentoring – Receive guidance and support from an industry professional.
- Certification – Earn nationally recognized Journey Worker's certification.

Early Childhood Education Registered Apprenticeships:

- Development Specialist – Entry-level position in early childhood education.
- Educator – Pathway to associate degree in early childhood education.
- Administrator/ Director – Pathway to leadership in early childhood education.
