

Training Coach Menu of Services

We are here to help you provide high-quality training!

Training Coaches provide FREE ongoing technical assistance to current and potential early care and education credentialed trainers.

- **Becoming a credentialed trainer:** Let us guide you through the initial credentialing process.
- **Training planning:** We can help you plan and deliver engaging training that supports regulations, quality practices, and the transfer of learning.
- **Training set-up and credit:** Boost your training's reach and impact with clear, well-crafted titles, descriptions, and other fields in KYTRIS.
- **Evaluation:** Use the power of evaluation to improve your training and support learner behavior change and positive child and program outcomes.
- **Credential Renewal:** We can help you meet renewal requirements and complete the application.
- **Training Observations:** Invite us to observe your training session and receive individualized, supportive feedback.
- **All STARS Training Standards:** Let's discuss the intent of each All STARS training standard and how you can design All STARS-approved training.
- **Training Challenges:** Facing a challenge? We offer individualized technical assistance based on your delivery method and unique needs, on topics such as increasing engagement, using technology, or supporting transfer of learning.
- **Marketing Suggestions:** Want to expand your reach? We'll share ideas and strategies to help promote your training and grow your audience.
- **Resources:** Connect with other trainers and share knowledge during our Trainer Connections, on our private Credentialed Trainer Facebook group, and via our online trainer resources.
- **Adult Learning Opportunities:** We facilitate adult learning sessions and can help you locate adult learning training to strengthen your skills.
