

Are you and your staff ready to learn more about the FREE online ASQ-3<sup>®</sup>, ASQ:SE-2<sup>®</sup> and meet the KY All STARS standard for developmental screening?

To find out more scan the QR code below.

**This system can help you and your staff:**

- Identify each child's strengths and opportunities to provide support for challenges that may impact learning and behavior.
- Strengthen knowledge of developmental milestones and appropriate expectations by parents and staff.
- Increase staff confidence when having conversations with parents about child development.
